BIKE ALBEMARLE ONLINE MAP
The information on this map will inform the development of a future online version, allowing users to zoom into routes and find more detail on destinations and route characteristics. Please contact the Albemarle Rural Planning Organization for suggested updates to this map to be reflected in the future online version. Also, be sure to check out the North Carolina Bike Routes website, at ncbikeways.com, which features details on the official state bike routes, including the three shown on this map for the Albemarle Region.

Local area walking and bicycling maps are also in development, with maps currently available for Elizabeth City, Columbia, Martinsville, and Onancock.
